“ What a wonderful and interesting lady. I came to know Beverly when she and Senah attended worship and some Wednesday night classes at Sinking Spring Presbyterian Church in Abingdon. I am thankful to have known her.

“ Your grandma and friend Senator attended Sinking Spring Presbyterian Church 5 or 6 years ago. My husband and I tried to know both of them together. We spent an Easter lunch with them in Bristol. We also visited with them. Both of the loved our church music. I think she sang in the choir where they worshipped. She was my FB friend when she stopped coming to church. We had fond memories of her. Please accept our sympathies. We know that she is under God's company now.
