

Elizabeth Elva Pruitt

March 5, 1991 - June 26, 2020

Elizabeth Elva Pruitt left this world June 26, 2020. She was born March 5, 1991, just 29 years old. Elizabeth was from Bristol, Virginia but belonged to the winds and she had a gypsy's soul. Her children, Mason James Welch, Noah Collin McCarty, and Jeffery Andrew Pruitt will now have an angel to watch over them. She also leaves behind her Mother, Mazie Reed, her three fathers, Brian T. Pappas I, Marvin Pierson Sr., and Jeffery Pruitt Sr., Brothers Jeffery Allen Pruitt Jr., Marvin Pierson Jr., Brian Pruitt, and Brian T. Pappas II, Sisters Kendra Bolling, Christian Lanoue, Taylor White, and Jessica Vance, her grandfathers Richard D. Reed, and Jackie Pruitt Sr., and her grandmother Barbara Pruitt, and many aunts and uncles, nieces and nephews, as well as cousins who are more like siblings. She was preceded in death by her grandmother Barbara Reed and her aunt Elizabeth Marshall.

My heart is shattered and will never be whole again. The pain in my heart is so deep that I am drowning from the tears. You danced in the wind and now that wind is beneath your wings. The only comfort I can grasp is knowing that a heart that is broken is a heart that has been loved, and one day I will dance with you again my daughter.....Mommy loves you and Jesus does too my princess.

The family will receive friends 3-4 pm, Tuesday, June 30, 2020 at Akard Funeral Home. Condolences may be sent to the family at akardfuneralhome.com.

“ You're with my Mama now sweet girl. She will take care of you until your parents see you again. I'm so thankful we started getting close when my mommy died. You checked up on me and vice versa. I'll never forget the kind words you told me and how proud you were that I had grown up. Rest easy baby girl, I love you. Watch over everybody as they grieve for you and celebrate your life.

“ Sis, my heart shattered into a trillion pieces when I got the call that you left to be with granny. You weren't my cousin but more of a sister. As we grew up together we laughed and cried with each other. We had fun and raised some hell at times. We had each other's backs and were always there for each other with a shoulder to lean on. I miss you sis and no one in our family will ever be the same without our buzz in it! I'll see you again one day and laugh with you again but for now the tears will fall for our fallen Angel! Love you sis. Rest now baby girl!

“ Don't grieve for me, for now I'm free,
I'm following the path God laid for me.
I took his hand when I heard his call,
I turned my back and left it all.
I could not stay another day,
To laugh, to love, to work, to play.
Tasks left undone must stay that way,
I've found that peace at the end of the day.
If my parting has left a void,
Then fill it with remembered joy.
A friendship shared, a laugh, a kiss,
Ah, yes, these things too I will miss.
Be not burdened with times of sorrow,
I wish you the sunshine of tomorrow.
My Life's been full, I savoured much,
Good friends, good times, a loved one's touch.
Perhaps my time seemed all too brief,
Don't lengthen it now with undue grief.
Lift up your heart and share with me,
God wanted me now, He set me free.

My sister, my friend. You are an amazing spirit that will never be forgotten! Your laugh, your smile, your joy and spirit will live on through your babies! I love you and this will never seem real! To me you will still be dancing through the valleys and singing over the plains! Until we meet again my little sister! I love you!

“ Prayers for the family and friends.

“ There is hole in this world with out Liz in it. Her heavenly smile and her wild soul warmed and inspired the lives of many. The love she gave freely with out a care was infinite in its purest form. She was an angel exploring the experiences of this realm, only to be taken away from us too soon to return to the wonders beyond our comprehension.

A dearest friend, a sister and a companion in this life. She was many things to me, and I miss her always. I never ever wanted to say goodbye to her, I anticipated the day that I could say hello again.

Her memory is a beacon in the darkest nights of how a single soul can illuminate the light of love and life.

Say hello to heaven, but you will always be in our hearts.
