“ TO ALL OF SHELIA'S FAMILY & FRIENDS,

I didn't know about our sweet 2nd cousin Shelia passing until around July 4th and was going to call my brothers, David and Ralph to see if they knew, and if they did, why they didn't call me and let me know.

Well, before I got to call either one of them, I got a call on Monday afternoon the ambulance was rushing Ralph to Bristol Emergency Care so we also rushed out there. David also went and as we were waiting to go in to see Ralph I asked David if he knew about Shelia and he said he didn't know until sometime after the funeral (around the same time I found out). I don't take the paper and I don't check the obituaries everyday; however, I did see this picture before. I didn't read it because I didn't recognize it being our Shelia nor did the name strike a bell to me, probably because it didn't have her maiden name with it. I knew her married name was Harr but if her maiden name had also been mentioned, I feel sure I would had known it was Aunt Ruth's granddaughter and cousin Peggy Brown Price beautiful, very sweet daughter. I didn't know Shelia's beautiful daughter, Brittany, so I didn't recognize her. I did think what a beautiful picture of probably mother and daughter together when I first saw the picture.

I asked David what she passed on from but he didn't know. Our beloved brother, Ralph, passed on to "Beulah Land, Sweet Beulah Land" on July 6th so now there is another Wedding Celebration going on in heaven as they have entered The Pearly Gates & meet our Lord.

I have to say, I was shocked and sadden to find it was our Shelia but I do rejoice in her home coming in God calling her home as I also rejoice in God calling my beloved brother, Ralph, home, no more pain, sorrow & suffering for either and THE FAMILY CIRCLE IS GETTING CLOSER OF BECOMING TOGETHER AGAIN, A COMPLETE CIRCLE. I know Shelia loved all of her family and loved being in the Harr family.

May God bless you each always with Love, Peace, Faith & Comfort,

“ My beautiful, loving, kind, funny, selfless Aunt Sheera, I miss you and love you so much. Lauren and I wanted to spend the night with you and uncle Tim all the time. You took me to Pizza Hut, spoiled me with love and comforted me when I spilled coke all over my dress. I'm 43 years old and I still remember how you made me feel in that moment- I was just a child. I was always secretly jealous of Mikey, Robbie, and Nikki because they were your blood family 😊 You picked me up from a friends house when I got older because I was sad and had hurt feelings. You were always there for me and you helped me become the person I am today- or strive to be. So I thank you. Thank you for loving me, and being the wonderful person and Aunt that I've always admired so much. Heaven and Jesus are welcoming you into God's kingdom where there's only happiness, comfort, and peace. I'm praying for Tim and Brittany everyday and I love you all so very much. Until we see you again Aunt Sheila.

Love,
Rochelle

“ Sheila is the one who stood alongside, advised and consoled me during rough patches in my life. She introduced me to her brother and loved me all the time, no matter what. I love her and miss her so much. I will miss her "can do" and "because I said so" attitude, quick wit, laughter and giggles. God bless you Tim, Sheila and Cody plus all the family.

Brittany I am so sorry for the loss of your mom. You and your family are in my thoughts and prayers. I pray God will wrap his loving arms around you and give you peace and comfort. God is the comforter and he will hold you in the palm of his hand through this sad time, he will never leave or forsake you. Keep all those special precious memories close to your heart and remember all those happy times you had with your mom.
